The idea of adapting "Old" (as opposed to "Old, Old") CHS for community use has been around for over a decade. There have been issues between the EFCC and the School Board that have made fund raising thru grants difficult. Naturally Glenn & Al (& Anne) are worn out. But the concept is a worthy one. I just went down my email list and picked out friends who might be interested in attending this meeting and becoming involved. Please attend if you are. Mildred

SORRY FOR THE OMMISION- THE TIME OF THE MEETING IS 6:30 PM

Friends,

Each of you have indicated your support for the preservation and restoration of the old Clinton High School building on Plank Road. You have given of your time, your finances or moral support of the East Feliciana Community Center, Inc. Glenn Brady (soon 77) and Al O'Brien (soon 81) have submitted letters of resignation for the board of directors of EFCC effective December 31.

You are hereby notified that on November 8, 2012, a public meeting will be held at the Art Barn on Bank Street in Clinton for the purpose of reorganizing EFCC. Your input into the selection of a new board of directors is needed to insure the continuation of this very worth while project.

Al O'Brien
