Dear Friends:

It seems that school has just let out for the summer, but 2013-2014 school years begin August 12 for East Feliciana Parish Schools. The Society of St Vincent DePaul will provide uniforms for 300 – 350 public school children, sending a student to school with two new uniforms will costs approximately \$24.00.

We are asking that you help us sponsor the children of East Feliciana Parish by donating funds to help pay for the uniforms. All donations large or small are truly appreciated. All money collected in East Feliciana Parish will be for the students of this parish.

We realize incomes are stretched during this time of economic recessions and higher prices for many of our basic needs. If we all pitch in and help the families that really need the assistance we will be bettering the children of our parish. We are asking your assistance to continue this worthy project. We at Quad Area continue to help meet the needs of the families in this parish. Please help us send these children off on their first day at school with a new uniform.

If any further information is needed call Sandra Baker at 225-683-3308.
